

IPT 300

Go mobile.

Yes, it does that.

IPT300 from Pradonet Americas is an "All-In-One" PDA payment & identification terminal. It is well suited for retail mobile sale force team, distribution, route accounting, on-board ticketing, parking enforcement, On-the-spot billing, In-Flight sales and other credit card payment purposes. The IPT300 is powered by Intel PXA270 processor to provide features such as Contact card slot, Magnetic stripe reader, 2" Thermal printer, Wireless LAN, Bluetooth, GSM/GPRS/EDGE, SD card slot and SAM (Secure Access Module) slots. MiFARE, Fingerprint Reader, Barcode, and cradle are also available as optional features.

The TTI IPT300 is highly customizable to cater for customer specific needs without the additional cost.
